Gould Scholarship Awards

The Gould Scholarship Award was established in 1974 as a parish memorial to Miss Bernice A.I. Gould, a longtime member of the parish who died in 1968. Miss Gould made the parish the residual beneficiary of her estate. Her generosity and trust has enabled this parish to undertake numerous ministries which support religious, educational and non-profit work around the world through the Bernice A.I. Gould Fund. The Gould Scholarship Awards are given each year to young members of our parish who will be attending college in the fall. They are given as a way to recognize and encourage service to church, school and community. The scholarships take into account the applicant's academic, religious and extra-curricular activities undertaken during the high school years.

Presently, the scholarship award is \$2,000 per year, renewable for three years.

This year's winners are **Michael Kakusian**, **Amy Manchester**, and **Molly Martinichio**. Michael will be entering the U.S. Marines on August 8th and thus the award is deferred until which time he enters college. Michael is the son of Jennifer and John Kakusian and brother of Tori Jo. Amy will be attending Ithaca College and will be studying sound recording in the hopes of becoming a music recorder/producer. Amy is the daughter of Janet and Scott Manchester, sister of Cassie and Zach and granddaughter of George and Janet Kroculik. Molly will be attending Onondaga Community College and will be pursuing a degree in Business Administration. Molly is the daughter of Barb and John Martinichio and sister of Samuel.

We remember all those who have benefited from the generosity of one parishioner. Don't ever let it be said that one person can't make a BIG difference!

Thank You, Carl!

For over 30 years Carl Dollmetsch has been our Acolyte Master with the help of his wife, Marie. Carl has transitioned from this ministry and we are grateful for his many years of leadership. Carl has been a faithful parishioner and a dedicated Acolyte Master. He has done a great job and we celebrate his many years of faithful service. Thank you, Carl, and Marie, too! May the Lord continue to bless you on your journey and grant you His choicest blessings.

In the meantime, Fr. John will oversee the Acolytes. Any youth who has completed his or her third year of school and any adults wishing to assist in our services as an Acolyte is invited to see Fr. John.

Prayers for Donna

We were recently informed that one of our former parishioners, Donna Krzyzewski, fell and broke her hip. If you would like to let her know we are praying for her, her new address is 12300 Rosslare Ridge Rd., Lutherville, MD 21093.

CHOW Garden News

Yes, we do have a CHOW garden this summer! And, it is flourishing! However, due to the sun and the rain we have had, the weeds are flourishing as well. If you have a few minutes and would like to tug a few out, your help would be greatly appreciated. Once the plants get well established they tend to take over and choke out much of the weeds but in the early stages the weeds seem to have the upper hand.

CHOW Summer News

Childhood hunger in Broome County is a very real problem. One in four school children qualifies for free or reduced schools meals (breakfast and lunch). Many school districts have a weekend food program for these children (backpack meals) provided by coordinated programs within Broome County. As the school year comes to a close these children will be missing two meals a day plus the food sent home on Fridays. While there are many programs in place to help meet the needs of these children not all children will be able to participate. Locations of these programs and transportation to them are two major problems for many of the families. To help lessen the burden of food insecurity for these families CHOW has asked all of the food pantries to be generous, keeping in mind that as each pantry is unique CHOW did not define “generous”. St. Paul’s CHOW pantry can assist by providing extra canned meats/stews, soups, canned pasta meals, cereals, boxed macaroni and cheese, canned fruit, instant oatmeal and bread.

St. Paul’s CHOW pantry has long had a reputation in the community for generosity and compassion. The clients often make these comments as well as members of the Broome County Council of Churches. Hopefully we can continue to meet the challenges facing the families this summer by providing extra food during the summer months.

I would like to once again thank all the members of St. Paul’s for their generous support in terms of time, talent and treasure to the CHOW pantry. It is this continued, faithful support which has made this program work so well.
