## It's time for the "Souper Bowl"

Sunday, February 5

Sunday, February 5<sup>th</sup> is Super Bowl LI (51) but here at St. Paul's, we will be gearing up for "Souper Bowl" V (5)! Bring a can of chunky soup (or \$1 to buy a vote) and vote for the Atlanta Falcons, the New England Patriots, or vote for St. Paul's CHOW pantry. Regardless of the Super Bowl winner, St. Paul's CHOW pantry will be the real winner!

## Why go Red?

Heart disease and stroke cause 1 in 3 deaths among women each year, killing approximately one woman every 80 seconds. Fortunately, we can change that because 80 percent of cardiac and stroke events may be prevented with education

and action. That's why this year we are asking that you wear red on **National Wear Red Day**<sup>®</sup> Friday, February 3, 2017, encourage others to do the same and make the time to Know Your Numbers. Five numbers, that all women should know to take control of their heart health are: Total Cholesterol, HDL (good) Cholesterol, Blood Pressure, Blood Sugar and Body Mass Index (BMI). Knowing these numbers can help women and their healthcare provider determine their risk for developing cardiovascular diseases.

**Wear red.** On National Wear Red Day, be sure to wear something red to show your support for women with heart disease and stroke.
