The cost will be \$149.00 and will include tests for vascular disease and one for osteoporosis. In order to register for this event and to receive a \$10 discount off any package priced above \$129.00, please call 1-888-653-6441 or visit www.lifelinescreening.com/community_circle.

St. Paul's Members: If you are interested in this event, Life Line Screening is giving us the first opportunity to sign up. Please see the sign-up sheet in the back of the church. This list will be faxed to them and someone will contact you to schedule your appointment time.

Elevette Use

Please do not leave the elevette car at the basement level. During heavy rain storms or snow melt, the elevette floods when left at the basement level. This damages the car and leads to excessive clean up and possible costly repairs. For those who use the elevette to access the basement, but will not be using it to leave, please ensure you send the elevette car back up to either the sanctuary or street level.
