Wanted: School Supplies

It may seem early to start thinking about “back-to-school” but stores are starting their sales. Our CHOW clients will be looking for school supplies for their children. Back packs and other items may be placed in the box at the rear of the church or in the office. For your convenience, please take the enclosed “shopping list” with you. These are items the Union-Endicott School District website has posted which is where the majority of our clients’ children attend school.

St. Paul's Members: If you are interested in this event, Life Line Screening is giving us the first opportunity to sign up. Please see the sign-up sheet in the back of the church. This list will be faxed to them and someone will contact you to schedule your appointment time.

Elevette Use

Please do not leave the elevette car at the basement level. During heavy rain storms or snow melt, the elevette floods when left at the basement level. This damages the car and leads to excessive clean up and possible costly repairs. For those who use the elevette to access the basement, but will not be using it to leave, please ensure you send the elevette car back up to either the sanctuary or street level.
