If you would like to donate candy for distribution that evening, please leave it in a marked container in the back of the church on Sunday mornings or drop it off in the church office any time before Halloween. Please see this month's edition of *The Epistle* for additional details. If you have any questions, please talk with Ruthie Koerts or email her at [RuthieK10@aol.com](mailto:RuthieK10@aol.com). ## **Rector's Forum**

Today at 11:00 AM

Today's Rector's Forum will be presented by **John Fillo**. John will be presenting "The Coming Storm – Artificial Intelligence." Artificial intelligence is getting a lot of "press" these days, and the question is why? Why should we care? It is not just an academic matter, but has a great deal of relevance for all of us. We will look at why this is the case, how it is affecting our lives and how it will continue to do so.

What is intelligence and what is "artificial"? How is artificial intelligence being put into use to tackle existing and projected problems? Artificial intelligence and aging. The importance of big data in the development of artificial intelligence. Lastly, the implications for jobs.

The series on Apostle Paul will resume at the Rector's Forum on **October 22<sup>nd</sup>**.
