Who doesn't like free money?

We need your help! Each year the Vestry allocates \$35,000.00 of our budget for Gould Grants which are evaluated and recommended by the Grant Committee. For years it was easy to give out grants to not-for-profit organizations but in the last few years the amount of grants we receive has declined.

The Vestry has formed a committee to look at various ways of increasing awareness of the Grant Program and is asking for your assistance.

The easiest way is to spread the word about the Grant Program. The application for a Gould Grant is on our website. We are also asking that when you hear of a worthy program while watching the news, reading the paper or engaging in everyday conversation you reach out to them and suggest they apply for a grant or, inform the Grant Committee so an application can be sent to them. Please include pertinent contact information for the organization.

We are blessed by the gift of Bernice Gould so help us share our blessings with others in need.
